Necromancer Iratus hates life. He wants to exterminate it, but that doesn't stop him from enjoying the pleasures of the flesh. In other words, fucking women he manages to summon from other worlds. Of course, his undead creations, his Brides, are more than happy to give him a good time, but Iratus prefers his women warm.

Iratus, with a smirk on his face, looks at the three naked pink-haired women he summoned. They're all chained up and at his mercy. The youngest, Minky Momo, is 18. The middle one, Momoko Hanasaki, is 20. The oldest, Madoka Kaname, is 25. The three women struggle, of course, but there's nothing they can do.

Iratus approaches Minky, wanting to start with her. Minky asks him what he's going to do. The necromancer chuckles and slides his cold cock between her small breasts.

"AH! It's cold." Say Minky.

"Of course my tail is cold." Iratus replies. "I've been dead for a long time."

"I don't like that, stop it!"

"No, beautiful Minky, you'll moan."

Iratus fucks her breasts faster and faster, but Minky refuses to moan. She screams and struggles. This angers Iratus. He yells at Minky to moan. When she refuses, he removes his cock from her chest, pulls hard on Minky's pink hair, and drives his cock into her vagina. Minky screams in pain and she finally moans.

"There, sweetheart. It wasn't that hard."

Iratus pumps his penis into Minky's pussy. He makes his way to her womb and climaxes inside her. Then Iratus pulls his cock out of Minky's cave to play with Momoko. Minky cries.

Momoko calls him a monster. Iratus, in response, places his hands on her large breasts and plays with her nipples. His fingers circle, squeeze and pull her nipples. Momoko moans softly, which pleases the necromancer. Then Iratus sucks on her breasts and his hands move to her entrance. His fingers slide along her crack. Momoko begs him to stop.

"No way, my pretty."

Iratus puts a finger, then two, in her pussy. Momoko moans loudly. The necromancer takes his time. His fingers caress her moist walls, getting wetter, going deeper and deeper. Then Iratus sinks a third finger into Momoko's wet tunnel. He moves them faster and faster, as if vibrating them. Momoko moans more and more. She screams that she's going to break. That’s what Iratus wants to hear. The necromancer continues until Momoko cum. Then he removes his sticky fingers, puts them in Momoko's mouth for her to clean, then finishes his beautiful time with her by reveling in her love juice with his lips and tongue. Iratus licked her pussy gently, not wanting to lose a single drop.

When he's finished, he goes to see Madoka. Momoko, unlike Minky, doesn't cry, but she curses Iratus. Without taking any time, Iratus wets Madoka's pussy with his fingers and makes her cum. He rubs his penis against the crack of her wet pussy before penetrating her. Madoka moans and calls a Homura for help. Who's Homura? Iratus doesn't care. While he ravages her pussy, Iratus plays with her breasts. He caresses them, kisses them, suckles her nipples. After he's cum inside her, the necromancer withdraws.

"You'll pay for this!" Madoka told him with angry flames in her eyes.

"No, I don't think so."

Iratus utters an incantation and the three women are sent back to their world. Later, his Brides come to see him. They are angry with him because they don't accept that he fucks other women. To put them in their place, Iratus rapes them. These are his creations. They have no right to speak out against him.
